6 Sept. 1808

To be numbered

At a Meeting of the Subscribers held in St. James Church 15 May 1809

It was moved & seconded that, New Subscription Papers be made out with a view of calling on those who have not Subscribed towards building said Church for their Subscription and that the Clergy be requested to aid any Vestry man with two of the Subscribers to endeavour to raise the Money & if then there should be a deficiency, to call a second time on those who have already Subscribed — which was carried

It was suggested that it wd be proper to serve a Printed Notice to all the Subscribers informing them of the next Meeting and to state the intention to reconsider the Vote, which authorized the Building Committee to make it double Pews

Subscribers Names to
St. James Church

Whereas from the increased population of our Congregations, we find that they cannot be accommodated with sittings in the United Churches, and as the funds of the Churches are barely sufficient to defray the Current Expenses of the year; The Vestry appointed a Committee to Consider of the ways and means of building another Church; who reported that it was expedient to build a church, which is proposed to be united to Christ Church & St Peters, and recommended that subscription papers should be formed in order to raise the necessary funds The money not to be called for, until the Vestry shall be satisfied that a sufficient sum is subscribed

We whose names are hereunto subscribed promise to pay to the Rector, Church Wardens & Vestry-men of the United Episcopal Churches, of Christ Church & St Peters Church in the City of Philadelphia, in the Province (now State) of Pennsylvania, or to any person appointed by them, the several sums annexed to our respective Names
